

INDIANAPOLIS PAINTERS JATC

2011 WINTER TRAINING SCHEDULE

Please read the following information carefully. We have made changes in how we will run the program this year.

1. Training is for Local 47 members who are in good standing. Classes are held at our Training Center, located behind the Local 47 Union Hall: 6501 Massachusetts Ave, Indianapolis, IN 46226.
2. Evening classes start at 5:00 pm. BE ON TIME. People who show up late will be asked to leave and will need to re-register for another class. Classes will be held on the scheduled day UNLESS no one registers for that class by noon on the day prior to class. Monday evening classes will be cancelled if no one registers by noon on the Friday prior to class.
3. We will be providing food for all classes. We will make the food order AFTER the start of class. Food will be ordered ONLY for those members who are present at 5:00 pm. Any members that arrive after the food is ordered may or may not eat depending on the amount of food ordered for the members who arrived on time. Arrival of food may vary depending on the provider.
4. You must register for classes by calling the Local 47 office. The number is 317-546-5638, or toll free at 1-877-248-0685. If you are going to register for several classes at once, please have a class schedule to reference. This will expedite your registration. Everyone will be sent a schedule. Make sure the Hall has your correct address. If you do not receive a schedule, or have lost it, contact the hall and we will send you a replacement. You may also come in and pick up a schedule during office hours (8:00 am to 4:30 pm, Mon-Fri).
5. We do offer safety classes in Spanish (OSHA 10, OSHA 30, Scaffolding, First Aid/CPR, Boom & Scissor, Insurance Awareness, and Drug & Alcohol Awareness). There are enough classes scheduled to obtain all training required to be eligible for journeyman testing. Again, if you wait until the end of the school year, you may not be able to complete your classes needed to test.
6. Hispanic members who do not have sufficient English skills will not be allowed to participate in English spoken safety classes. English speaking members who do not have sufficient Spanish skills will not be allowed to participate in Spanish spoken safety classes.
